
GENERAL INFORMATION

Information below is only valid if your manuscript is written using IntechOpen's MS Word Template, and should only be used as a reference. These numbers are estimates only. Please treat them as such.

CHAPTER LENGTH	
Minimum	Maximum
10 pages	20 pages
33,000 characters (with spaces)	66,000 characters (with spaces)
4,500 – 4,750 words	9,000 – 9,500 words

The final page number can be calculated only when your unedited manuscript has gone through the technical editing process. Technical editing ensures that the manuscript is formatted according to professional academic publishing standards. The total page count will be communicated to you by your Author Service Manager.

THE NUMBER OF PAGES INCLUDES THE ENTIRETY OF THE CONTENT: THE MAIN TEXT (WITH ABSTRACT, KEYWORDS, AFFILIATIONS, REFERENCES) AND ALL ADDITIONAL MATERIAL (FIGURES, TABLES, DIAGRAMS, ETC.)

IntechOpen can accept shorter or longer manuscripts, provided that the scientific content is of high value.

The Open Access Publishing Fee (OAPF) for your chapter covers the production costs up to 20-page long chapters. For chapters longer than 20 pages, ADDITIONAL PAGE CHARGES will be applied on a page level basis.

**THE ADDITIONAL PAGE CHARGE IS 40GBP + VAT (IF APPLICABLE)
PER EACH ADDITIONAL PAGE**

GETTING STARTED

Two options are available when writing your chapter.

- Use our MS Word Template (recommended)
- Use your own document and set it up according to IntechOpen's formatting requirements

FORMATTING REQUIREMENTS	
Font Size	10pt
Font Type	FS Brabo or Georgia
Spacing Indent	Single 1 st line 0,5cm (0,20 inch)
Page Size*	Custom Width: 18cm (7,086 inch) Height: 26cm (10,236 inch)
Margins	top 1,8cm (0,71 inch) bottom 1,4cm (0,55 inch) left & right 2,65cm (1,04 inch)

**Use the whole space of all pages, do not leave free space.*

We recommend using IntechOpen MS Word Template, but either option is acceptable.

Download the Template from here:

https://cdn.intechopen.com/public/docs/guidelines/IntechOpen-Template_Guidelines.docx

The template can be opened in any text processor of any Office suite (MS Office, LibreOffice, OpenOffice, etc). All the required page formatting options have been preset, and all the necessary details are included in the Template itself. Simply follow the instructions and insert your text where prompted.

LaTeX submissions are also accepted. The LaTeX source file(s) have to be accompanied by the compiled PDF. Currently, a LaTeX template is not available.

PERMISSIONS

Authors wishing to include figures, tables, or text passages that have already been published elsewhere are required to obtain permission from the copyright owner(s) for both the print and online format.

Please consult the following guide for more information on different ways you can request a copyright permission:

http://cdn.intechopen.com/public/docs/RightsLink_Guide.pdf

We do not require authors to submit copyright permissions along with their manuscripts, but we may ask you to provide them if there are reasons to suspect that any part of your manuscript infringes a third-party's copyright. Legitimate reuse of third-party content must include copyright holder and licensing information for the content being reused.
